C.E.R.T. TRAINING IS COMING TO Norwalk--SIGN UP NOW!

The County of Los Angeles Fire Department is proud to present this training to the public.

Following a major disaster, police, fire and medical professionals may not be able to fully meet the demand. People will have to rely on each other to meet the immediate life saving and life sustaining needs, *particularly* in isolated neighborhoods that may be cut off from the main roads for a period of time.
